

668122

The movie poster is for the film *Venom: Let There Be Carnage*, a sequel in Sony's Spider-Man Universe. The design centers on the conflict between the two primary symbiote characters: Venom and Carnage.

**Central Conflict:** The poster's main focus is an intense, dynamic confrontation between the black-suited Venom and the red-hued Carnage. Their open mouths, filled with sharp teeth and extending tongues, dominate the frame, suggesting a fierce battle.

**Color Contrast:** The design heavily relies on a stark color contrast. The dark, black and white tones of Venom are set against the vibrant, blood-red of Carnage, highlighting the visual distinction between the two characters. The background features stormy clouds, adding a dramatic and intense mood.

**Textual Information:** The poster includes key marketing information:

**Actors:** The names "TOM HARDY" and "WOODY HARRELSON" are prominently displayed at the top, as they play the lead characters Eddie Brock/Venom and Cletus Kasady/Carnage, respectively.

**Title and Release:** The movie title, "VENOM LET THERE BE CARNAGE," is featured at the bottom, along with the release date: "EXCLUSIVELY IN MOVIE THEATERS OCTOBER 15".
